1) In September 1940, the Secretariat functions were separated from the Chief Engineer and an independent Secretary for Public Works, Electrical and Railway Departments and an Assistant Secretary for the Public Works and Electrical Departments were appointed. This arrangement continued till about October 1945, when necessity arose for taking an Assistant Engineer of the Railway Department for the post of Assistant Secretary for Railways in lieu of a civilian Assistant Commissioner working as such as a part time officer for Railway Secretariat Work. At that time it was laid down that the Assistant Secretary, Public Works and Electrical Departments, was overloaded with work and that some relief might be afforded to him by transferring a portion of his work to the Railway Assistant Secretary. In pursuance of this and in accordance with later developments, the Electrical Secretariat work was transferred to the Railway Assistant Secretary in the year 1947, when an independent Secretary was appointed for the Railway and Electrical Departments.

2. At the time of integration of Railway Department with the Central Government in April 1950, the Secretariat work of the Electrical Branch was transferred to me as Assistant Secretary, P.W.D. and I have been attending to the work in addition since then. On account of the undertaking of postwar and 'Grow More Food"Schemes in the Public Works and the Electrical Departments, the work in the Public Works Department alone has considerably increased, not to speak of the additional work on account

Is there any reference to this effect

of the above schemes The addition of the Electrical Secretariat work to my duties as P.W.D.Assistant Secretary has entailed additional work and responsibility and I have been attending to these additional duties by working overtime in office and at my residence. A perusal of the receipts and issues pertaining to the P.W.D. and Electrical Department Secretariats given in the statement put up is requested.

3) It will be seen therefrom that the work of the Electrical Secretariat Branch alone would require the undivided attention of a whole time Assistant Secretary, it having doubled itself as compared with what it was during the early years of its existence.

4) In view of the extraordinary additional work involving heavier responsibility, I request that an allowance of Rs.100 at least may kindly be granted to me from 29th March 1950, the date from which I have been attending to the Electrical Secretariat work in addition, the present arrangement being less costly to Government.

1) This Branch has no data by which the figures furnished can be checked and verified

8) Till Dec 1945 the works relating to the Elect. Br. was being attended to by the Asst. Secy, P.W. when it was transferred to the Asst. Secy, Railway Branch (Vide G.O. No. 2194-2252/C.B. 10-45-5 dated 15.12.1945) ~~the~~ this transfer of work was made on the ground that the Asst. Secy, P.W. Br who was in charge of both P.W. & Elect Br was overloaded with work (Vide para 3 of the notes in C.B. file No. 118-45-1)

9) After the integration of the Railway Dept with the Railway Board from 1.4.1950, the works relating to the Elect Br has been re-transferred to the Asst. Secy, P.W. Dept. from 29.3.50. The Asst. Secy, P.W. Dept has been attending to the works of Elect Branch from 29.3.50

10) The Asst. Secy, P.W. Branch has been granted a charge allowance at the rate of Rs 25/ p.m. from 29.3.50 to 16.6.1950 for attending to the works relating to Elect. Br. (Vide G.O. No. 1142-8/C.B. 1450-18 dated 15.11.50.)

11) Sri H. Channaya, Asst. Secy, P.W. is drawing a duty allowance of Rs 50/ p.m. as Asst. Secy. P.W. Br plus an allowance of Rs 50/ p.m. as Secy to the Committee of P.W. and transport

Hence he is already getting an allowance of Rs 100/p.m. in addition to his own grade pay.

(2) Under the circumstances, the request of Sri H. Channaiya, Asst. Secy P.W. for the grant of an allowance of Rs 100/p.m. in addition to the allowances he is already getting for attending to the work relating to the Elect. Br is for orders.

3) If the additional Charge is clearly unmanageable as seems apparent from what is stated at para 3, an increased allowance may be no solution. The creation of a whole time appointment of an Asst. Secy. or the transfer of the work to an Asst. Secy. who may be holding a lighter charge may perhaps be more appropriate.

4.12.50.

4) The work in the Electrical Secn by itself does not provide full work for a whole-time Asst Secy to Govt. All the other Asst Secretaries have full work on hand. With the integration of the Spl Excises to the centre, the Asst Secy, S.R. Br, got some relief. Recently certain items of work ~~which~~ such as Hungrai, House-Rent Control etc, which were

entrusted to the Asst Secy, Rev. Br, were transferred to the Asst Secy, Spl. Rev. Br. and no extra allowance was granted to him. Hence the cannot therefore be burdened with any more work

15) The Electrical Depn is a technical one just as the P.W. Depn. The work of this Br can be better handled by the Asst Secy, P.W. In the revised allocation of work among the Secretaries and the Asst Secretaries which is separately under consideration, the Electrical Secn work is proposed to be given to the Asst Secy, P.W.

16) When the question of grant of charge allowance to this officer for the addl. work devolved on him by the transfer of the Elec. Secn work to this officer, the Fin Secy has observed that the practice of asking for some remuneration for every slight addition to work, is to be deprecated Sri H. Channiah is already in receipt of an allowance of Rs 50/- pm. on the score that he is an officer drawn from the P.W. Depn. An additional allowance of Rs 50/- has been sanctioned to him as Secy to the Committee of P.W and Transport.

Para 43 of notes in C.B. file 14-50 (18)

17) In view of all this, it may not be possible to grant any additional allowance to Sri Channiah.
